

The following list of sealants have been tested, and found generally compatible with the Poly-Carbonate "Lexan" materials used to manufacture ICON's Skylights and domes.

We do not have any control over the formulations of the products tested and they may have changed since the test was conducted. All customers should conduct their own end use testing to ensure that the total system performs adequately in the application.

Manufacturer or Source/Project	Material
3C Co., Woburn, MA	Butyl Caulk 622-11
3-C Company	Butyl Caulk 622-11
3M Company	Super Silicone Sealant #08664
3M Company	3549 B/A
Ace Hardware Oakbrook, IL	Gutter & Lap #10206
Ace Hardware Oakbrook, IL	Butyl rubber #10204
Ace Hardware Oakbrook, IL	Clear silicone #11316
Adco Prod., Michigan Center	Adcoseal B-100 Butyl Sealant
