

# Wind Deflectors

## AeroShield Wind Deflectors

Engineered for today's tow vehicles... The AeroShield's aerodynamic design reduces wind resistance and practically eliminates turbulent winds trapped between the tow vehicle and the fifth wheel or trailer, ensuring smoother handling and improved performance. The AeroShield can be adjusted to virtually any angle allowing maximum aerodynamic efficiency and easily folds down when not in use. Ships completely assembled (includes mounting hooks #2, #6, #8 & #9) ready for installation.

- Requires no drilling or modifications to the vehicle
- Fits most vehicles (see application guide)
- Up to 3mpg better fuel mileage
- Improved stability and handling
- Eliminates bugs on the trailer
- Can be folded down to 6 1/2" height

### Wind Deflector WD500

**01216** 48" x 22" Shield, Black

**01546** 48" x 22" Shield, Polar White

### Wind Deflector WD600

**01217** 56" x 22" Shield, Black

**01508** 56" x 22" Shield, Polar White
